Mock HR Session

Vivekananda School of Information Technology (VSIT) organized one day “Mock HR Session” for MCA-V semester on 15th September 2017. The session was conducted by Mr. Suneel Keshwani, Corporate Trainer & Life Coach Management Consultant. One to One mock interview session was aimed to prepare students for their placements and overall development. Students were evaluated on the basis of confidence, communication skills, attitude and body language. After every mock interview, feedback was given and profiling of the student was done. Each student was acquainted with their strengths, weak points and how to overcome them and build up their confidence level. At the end of the session, a performance report was handed over to every student. Students exhibited great interest in the mock interview session and found it very helpful for their career development. The session was organized by Dr. Deepali Kamthania, Associate Professor, VSIT.
