Vivekananda School of Information Technology

Seminar
on
Android Application Development

Vivekananda Institute of Professional Studies (VIPS), New Delhi in collaboration with VIPS CSI Students' Branch, New Delhi organized a seminar on "Android Application Development" on 23rd August 2017. It was organized by Dr. Deepali Kamthania, Associate Professor, VSIT for MCA first year students.

The seminar aimed to provide students knowledge about Android systems, APIs and Android Development Kit. Mr .Summved Jain, Technical Leader, NCR Corporation, Gurugram was the resource person. He gave students a brief idea about the android applications API's and software required for the App development.
