

PARENTS' ORIENTATION

Parents play a crucial role in the all round development of their children. For the first year students of Vivekananda School of Economics, the Parents' orientation programme at VSE was organized on August 20th 2017. The huge turnout of enthusiastic parents on a Sunday morning was overwhelming. It showcased their concern, responsibility and involvement with their wards. At the outset, the Academic and Administrative Structure of VSE were highlighted followed by an address by Prof. Dr. Anuradha Jain, Dean-School of Economics. Prof. Rattan Sharma, Hon'ble Principal Director, VIPS addressed the Parents and there was an open house session wherein the queries of the parents were duly addressed.
