

EVENT REPORT: VIVEKANANDA CLUB ORPHANAGE VISIT

DATE: OCTOBER 16, 2017

From the beginning of the month of October, there was a determined effort to make “a difference” in the lives of the underprivileged segments of the society. It was collectively decided to collect “Raddi” and after a fortnight of energetic collection, it was decided to visit an orphanage with the funds raised from the “Raddi sale”. Three days before Diwali when everyone was busy preparing for the celebrations, the

volunteers of the Vivekananda Club, under the motivation of our Chairman, Dr. S.C.Vats, visited children at Sewa Bharti Matrichhaya and distributed fruits, sweets and juices. This was another endeavor of the Vivekananda Club- The CSR society of VIPS to serve the society and bring smiles on faces, as envisioned by our honorable Chairman.

About the NGO: Sewa Bharti Matrichhaya is an initiative of an NGO named Sewa Bharti and is situated in Miyanwali Nagar in Paschim Vihar, Delhi, sheltering abandoned children. It also serves as a day care center for children aged 2 to 5 years, belonging to economically weaker sections living in the vicinity. These children

are also provided elementary learning classes.

The visit was greeted with insurmountable joy and the volunteers were equally ecstatic to meet the underprivileged. Sharing of sweets, fruits and juices brought a sparkle of joy amongst the children. Not just the material goods but also the quality time spent, spontaneous

interaction and the enamoring smiles and laughter of the children made this Diwali special for VIPS.

Thereafter, Mr. Sham Gupta, the Organizing secretary of Matrichhaya took the volunteers to a conference room to brief them about the NGO. He not only thanked us for our initiative but also inspired us to change more lives.

This visit was a real life training provided to the students to make them experience altruism and to give them an experience of soulful happiness.
