INTERNATIONAL CONFERENCE TeMISR (2018)

Vivekananda School of Information Technology (VSIT) organized an International Conference Techno-Legal Management TeMISR-2018 on the theme of "Information Security Risks" on 21st – 22nd May 2018. TeMISR'18 was aimed to provide a platform for practitioners and researchers from Academia, IT Industry and Government Organizations to share their views, work & experience on the developments, on-going researches and future of technological advancements in the area of Information Security. The two days at TeMISR 2018 were an amalgamation of intellect, ideas, innovations, researches and developments. With ideas bombarding everywhere, the aura or TeMISR in itself had a vision of future advancements.

TeMISR-2018 commenced with the lighting of the lamp by a group of dignitaries as a sign of positivity followed by Saraswati Vandana. The dignitaries were felicitated with bouquets and mementoes. Prof. Dr. Rattan Sharma, Principal Director, VIPS formally welcomed all the dignitaries, participants and attendees. He addressed the attendees and spoke about collaborating education with professional society and nurturing the country as a whole.

Lt. Gen. Dr. S. P. Kochhar, CEO Telecom Sector Skill Council (TSSC), the Honorable Chief Guest addressed the students and gave a brief about the how the telecom sector has evolved over the years and what the current scenario of the telecom sector is. He stated how one of the most important factors that can bring in binding synergy if used in a collaborative, adaptive and inclusive manner is communications.

Prof. Dr. Vijay Varadharajan, Global Innovation Chair in Cyber Security, Director ACSRC, University of Newcastle, Australia addressed the gathering along with a presentation. He talked about the cybersecurity risks. Cybersecurity, according to him, becomes as hard to achieve as vast it becomes. It is influencing change at every step with a click of a button. He also talked about the maximum possible advancement of technology in today's time. Getting almost entire information about someone, he explained, is as easy as just talking to them about it all and it's all because of the cyber advancements. A question or two were also asked in relevance to the presentation presented by him to whom he answered expeditiously.

Mr. Neeraj Arora, Cybersecurity Expert discussed cybersecurity. He talked about how technology is as risky as safe. He also talked of his investigations of cyber offences that were handled by him as an investigating officer with Delhi Police and Central Bureau of India.

Dr. Sanjay Mohapatra, President CSI motivated the participants to create, to innovate & to excel. Dr. Manas R. Pattanaik, Treasurer CSI gave motivation to researchers for active participation in the event and wished for the success of the conference.

Dr. S. C. Vats, Chairman, VIPS expressed his gratitude to all the dignitaries. He motivated all the participants for their hard work and dedication to work effortlessly.

The ceremony also announced the release of the special issue of the Vivekananda journal of research. Prof. Dr. Balasubramanian offered a vote of thanks to all dignitaries. He thanked all the invited guests and participants for gracing the occasion by their solemn presence.

All in all, there were six Technical sessions under the guidance of the respective External Session chairs. On day one Technical Session one (Human Aspects on Information Technology, Privacy and Trust) was chaired by Dr. S. BalaKrishnan and Dr. G. Srinivasa, Technical Session two (Artificial Intelligence and Machine Learning) was chaired by Prof. Laxmi Ahuja and Dr. Rachna Jain. Technical Session three (Security, Network and Communication Technology) was chaired by Dr. Sushila Madan and Dr. Anuradha Chugh.

Day two commenced by a keynote address by Dr. Kamran Khan from Texas University at Dallas through WEBEX followed by the rest of the technical sessions. Technical Session four (Cloud Computing and Big Data Analytics) was chaired by Prof. P. S. Grover and Prof. Neeta Pandey. Technical Session five (IT Laws and Applications of IT) was chaired by Dr. Avijit Dutta and Prof. S. Naseem Ahmad. Technical Session six (Deep Learning with Advances in Communication, Network and Social network Analysis) was chaired by Prof. N. S. Raghava and Prof. S. K. Muttoo.

The valedictory ceremony ensued with the felicitation of guests and addresses by the dignitaries. Honourable chief guest Shri Eswara Prakash, Deputy Director, Mission Development Area, U. R. Rao Satellite centre, Prof. A. Murali M Rao, head, computer division, IGNOU, India and Prof. M. N. Hoda, Director, Bharti Vidyapeeth's Institute of Computer Applications and Management graced the ceremony with their esteemed presence. This was followed by the prize distribution to the winners of each technical session along with some tokens of appreciation for the student coordinators as well. The ceremony and the conference finally concluded by a vote of thanks by Prof. Dr. Vinay Kumar, Dean (VSIT).

More than 160 research papers pan India and abroad, were received for this conference out of which 84 were selected for UGC and Scopus Indexed Journals.

VIPS played the perfect host to conduct the TeIMISR-2018 extremely flawlessly and proved to be an exciting experience for participants and organizers. VIPS geared up to celebrate the effervescence, ethos and spirit of its students.
