About VIPS LEGAL AID CENTRE

“Legal aid means providing an arrangement in the society which makes the machinery of administration of Justice easily accessible and in reach of those who have to resort to it for enforcement of rights given to them by law” – Justice P.N. Bhagwati

Free, equal and timely access to justice is the hallmark for the success of a democracy. To make this dream a reality, the support of all the stakeholders, especially advocates are required. Undoubtedly every educated and sensitive advocate has a professional and moral duty to represent the underrepresented in our society to ensure that justice exists for all. VIPS Legal Aid Centre makes our students conscious of their social responsibility along with the legal acumen.

Legal Aid Centre of VSLLS was established in 2013 in coordination with Delhi High Court Legal Services Committee. It is dedicated to perform its social responsibility. VIPS Legal Aid Centre, which is recognised by the Delhi State Legal Services Authority (DSLISA), as per NALSA Regulations 2013, is dedicated to perform its social responsibility.

VIPS Legal Aid Centre is comprised of 11 faculty members and 350 student volunteers. Nearly all of the students have undergone a thorough training from DSLISA and are actively involved in helping the society as Para Legal Volunteers (PLVs). Apart from attending to the legal matters of the underprivileged people, VIPS Legal Aid Centre also actively disseminates knowledge on legal issues in nearby slums and localities by conducting awareness drives in coordination with Nukkad Natak Society of VIPS ‘Mashaal’ under the guidance of DLSA (North and North-West). The students are also sensitized about various legal issues by conducting various activities such as conferences, jail visits, court visits and so on.

About “ANTARNAD”

The word “Antarnad” refers to the inner voices present within every individual. It is the intrinsic speech of an individual’s soul, the moral compass that differentiates rights from wrongs for that individual, the guiding light that illuminates his path in the journey of life. Antarnad was chosen as the name for this event because through this event, we wish to highlight and bring forth the inner voices suppressed within every individual and give them a platform to let loose and express themselves through acting, more specifically, through NukkadNatak.

Nukkad Natak is a form of street art play whereas the actors perform in public with a live audience. Nukkad Natak is used as a medium to reach out to the general public and briefly shift their attention from the hustle and bustle of their daily life to the bigger vices plaguing the society. Moreover, through Nukkad Natak the unsaid emotions are portrayed via an art-form which is hard to be expressed via any other medium.

We wish to use the Nukkad Natak platform to bring attention to the legal atrocities happening all around us. The laymen, unaware of the complex legal world, can benefit the most through the informal way the Nukkad Natak conveys information to them.
