NOTICE

In view of the ongoing COVID-19 concerns, all students of VIPS are hereby informed that VIPS is committed to provide continued support to students learning. VIPS is pursuing online education for students through E Resources and Online Classes

All faculty members at VIPS are preparing and sharing E-Resources with students and taking online classes also.

In case any student has missed out on the resources or classes, they must get in touch with their Faculty Class Coordinators for details and access to the circulated material.
