

Vivekananda Institute of Professional Studies – Technical Campus

New Programmes for Academic Year 2021-2022

Launches B.Tech Programmes in emerging areas

Vivekananda Institute of Professional Studies-Technical Campus will offer the following Four Year **B.Tech** Programmes in the emerging areas from the current Academic Year 2021-2022.

- **B.Tech in Artificial Intelligence and Data Science – 120 Seats**
- **B.Tech in Artificial Intelligence and Machine Learning – 120 Seats**
- **B.Tech in Industrial Internet of Things – 60 Seats**

B.Tech Programmes are approved by All India Council for Technical Education (AICTE) and Affiliated to Guru Gobind Singh Indraprastha University, Delhi.

A separate building has been constructed in the campus to run the B.Tech Programmes.

The newly constructed building has world class infrastructure with large spacious Smart Classrooms, Well Equipped Laboratories with Fully Furnished Workshops, Library and Computer Centre with latest configurations of computers.

Vivekananda Institute of Professional Studies has also created Network Infrastructure of wired and wireless Network with CISCO Technology switches and advanced wireless solutions with Wi-Fi Features thus providing a technical environment equivalent to the IITs, IIITs, NITs and other reputed institutions in the country.

Reputed academician has been recruited as Director and highly qualified faculty has been selected to maintain the Student – Faculty & Cadre ratio as per All India Council for Technical Education (AICTE) and University Grants Commission (UGC) Norms.

Admissions to the B.Tech Programmes will be conducted through Centralized counselling conducted by Guru Gobind Singh Indraprastha University based on the rank of JEE.

Students are advised to check the website of Guru Gobind Singh Indraprastha University (www.ipu.ac.in) and Vivekananda Institute of Professional Studies (www.vips.edu) regularly for all updates related to the Admission Process to all programs at Vivekananda Institute of Professional Studies.
